

# INTERMITTENT CLOSURES

**ON IDAHO 55**

**WEEK of JUNE 15**

**NORTH FORK  
PAYETTE RIVER  
BRIDGE PROJECT**

**Idaho 55 will be intermittently closed at the North Fork Payette River Bridge just north of Cascade. Crews will be placing support beams for the new bridge the week of June 15.**

## WHAT YOU NEED TO KNOW

- Traffic on Idaho 55 will be stopped in both directions for periods of 20 to 45 minutes at the bridge when placing support beams.
- Many activities must be complete before the beams can be put in place. Sign up to receive an email with the exact date.
- The speed limit is reduced to 25 mph in the construction zone.
- Crews will be working in the daytime from 7 a.m. to 7 p.m.

Construction of the Idaho 55 North Fork Payette River Bridge is expected to be complete late this year.

# INTERMITTENT CLOSURES

**ON IDAHO 55**

**WEEK OF JUNE 15**

**NORTH FORK  
PAYETTE RIVER  
BRIDGE PROJECT**

The North Fork Payette River Bridge is 65 years old and needs to be rebuilt to meet today's safety standards and traffic loads. Construction is expected to be complete late this year.

## **PLAN AHEAD WHEN TRAVELING THROUGH CASCADE**

The Idaho Transportation Department is replacing the Idaho 55 North Fork Payette River Bridge just north of Cascade. Drivers should plan extra time when traveling on Idaho 55 between Cascade and McCall the week of June 15 as crews place girders for the new bridge.
